

FAMILY CENTER FOR HEALTH CARE
at Citizens Health

Telehealth + Coronavirus (COVID-19)

Step
1

Call 785-462-6184 and schedule an appointment with your primary care or urgent care provider. The receptionist will send you a text message or email with instructions on how to access your e-visit.

Step
2

Follow the link and download GOOGLE HANGOUTS MEET. Select yes to allow video and audio and then select 'Join the Meeting', you will then be connected to your provider!

You can manage your routine medical care while you still practice social distancing.
